# CRAB GRIP® SCREW

**Company Profile :**

We are a group of entrepreneurs desiring to create our own niche space in the field of manufacturing engineering products. It all started in a 2160 sq. ft. manufacturing space by one visionary founder, who could successfully inculcate his legacy of trust, dedication and hard work into the minds of all those who comes in contact with him. Situated in Rajkot which is a manufacturing hub of engineering and automobile products in India, Bold Incorporation has travelled a long journey of firmly establishing **Crab Grip** Brand in screws.

We have even successfully attained the feat of designing our own machinery for captive purposes. The product ranges have multiplied manifold which are having varied applications. The manufacturing space is spread over 175000 sq. feet with installed capacity of more than 1,00,00,000 pieces per day and having strong marketing network all over India. It is now one of the favourite brand amongst OEMS.

Company Profile :

**Unitech Industries** has carved a niche for itself in the country by offering a wide range of premium quality hardware.

Started in the year 1999 in Rajkot, the company has maintained a reputation for enviable integrity and reliability. The reason why **Unitech Industries** could establish a countrywide marketing network in a short span of time.

All this has been possible through the sustained trust and confidence of valued clients, such as traders, builders, architect and interior decorators, fare-friendly and clear policies, value for money products, market let design, and very dynamic management.

**DDA** Hardware is the brand of the **Unitech Industry**. It represents the enormous hardware products engineered for superior performance and durability. **DDA** Products transform your everyday tasks into a fresh and luxurious experience. Our tradition of quality, variety, and purpose base craftsmanship are embedded in our products. With a brilliant eye and vision for details, each piece of hardware is made with utmost precision and dedication with value in our brand.
