Mr. Harsh Patel
Director

CRAB GRIP[®]
SCREW

Company Profile :

We are a group of entrepreneurs who are trying to create our own niche space in the field of manufacturing engineering products.

It all started in a 2160 sq. ft. manufacturing space by one visionary founder, who could successfully inculcate his legacy of trust, dedication, and hard work into the minds of all those who come in contact with him. Situated in Rajkot, which is a manufacturing hub for engineering and automobile production in India, Bold Incorporation has traveled a long journey of firmly establishing the **Crab Grip** Brand in screws.

We have even successfully attained the feat of designing our own machinery for captive purposes. The product has multiple manifolds which are having varied applications. The manufacturing space is over 175000 sq. feet with an installed capacity of more than 1,00,00,000 pieces per day and a strong marketing network all over India.

It is now the favourite brand amongst OEMS.

plus point[®]

#YourOneStopHardwareSolution

Company Profile :

Established in **1942** by Late Shri H. L. Agarwal, **Plus Point** has emerged as a leader in the door hardware and accessories industry, delivering top-notch products with a focus on quality, innovation, and business ethics. With over eight decades of experience, **Plus Point** has become a trusted name in the market, serving customers with excellence and providing them with a wide range of products manufactured in Solid Brass, Zinc, Aluminum, and Steel. Ever since **Plus Point** has been continuing to deliver exceptional products that combine functionality with exquisite design.

Mr. Rajiv Agarwal, the Managing Director and Chief Product Designer of **Plus Point**, has led the company to remarkable growth by fostering a culture of innovation, quality, and strong customer relationships. His visionary thinking and trend-anticipating abilities have revolutionized the locks and hardware industry with innovative products like the Aldrop 401, which became immensely popular. Mr. Agarwal's lifelong passion for design is evident as he continues to personally oversee the design process for functional efficiency. On the other hand, **Mr. Niket Agarwal**, the CEO, joined the business in 2015, aiming to establish a globally recognized Indian brand. He focuses on modernizing and integrating technology to optimize operations, ensuring seamless coordination among all departments through strategic planning and operational frameworks.

Plus Point boasts an extensive network of over 10,000 dealers across India, making its products easily accessible to customers throughout the country. With a robust manufacturing base in Aligarh.

Additionally, being an ISO 9001:2015 and 14001:2015 certified company signifies **Plus Point's** dedication to maintaining robust quality management systems. **Plus Point** is catering to all door hardware and accessory needs; this commitment is encapsulated in **Plus Point's** words "Your One Stop Hardware Solution." From elegantly designed handles and knobs to durable hinges and locks, each product is engineered with precision and attention to detail. **Plus Point** has established a strong trust among its customers and vendors, evident by the fact that those who initially connected with them continue to stay connected. The company firmly believes in the concept of PLUS - adding value to its relationships with customers and vendors.

Mr. Tarun Singhal
Director

SLIMLINE
GERMAN HARDWARE

Company Profile :

The journey of a thousand miles begins with a single step. Founded in **1998**, we've had an amazing journey coming to where we are today. Back then; this venture was started by Late Sh. Trilok Chand and Late Sh. Rajneesh Kumar with all their hard work and passion for success. With time, the company has grown and evolved as one of the leading manufacturers and emerged as the visionaries of the modular kitchen concept. After a few years, Mr. Tarun Singhal joined the company in 2011 and led this journey to new heights with his skillful mindset and an inherited distinguished vision. They have never compromise in design and the quality.

Our Collection is vast and designed keeping the customers in mind. The company launched its first telescopic channels and hinges range in the year 2016. Later in 2017 tandem boxes came into existence and became a huge trendsetter in the market. 2022 has been a significant year for kitchen and hardware launches for the company which includes hydraulic hinges, various types of screws, and a wide array of multipurpose kitchen baskets.

We are a customer-centric company with ISO certification. Being featured in numerous advertisements, we believe in crafting unique products with the latest technology and reliable service.

In a nutshell, all that you are looking out for your interiors, we have here. Choose us, choose the best.
